PART II All parents please complete the following questions about your son:

3. In the past year, has **anything significant** happened in your son's life that you feel we should know about?

4. Because in most cases your son's cabin counselors will not know him well prior to his arrival at camp, we invite you to write them a letter before the start of the season. Please describe your son's personality and also share with his counselors any relevant information they might find useful in working with him during his stay at camp. Moreover, please let the counselors know of any expectations you might have for your son's summer, as well as any specific requests you might have for them. Thank you in advance for your help in providing this important feedback.
